COMPANY PROFILE

BUILDING TRUST, ASSURING SUCCESS

Structural steel, pre-engineered buildings and steel products – designed, fabricated and delivered from Vietnam to more than 30 countries.

■ DESIGN ■ FABRICATION ■ ERECTION ■ EXPORT

WHO WE ARE

WHO WE ARE

World Steel Construction JSC designs, fabricates and erects structural steel and pre-engineered buildings from Vietnam for projects on five continents – the first company in Asia accredited under IAS AC472, certified to AS/NZS 5131 and EN 1090-2.

World Steel Construction Joint Stock Company – World Steel Group – is a Vietnamese steel structure company offering the complete chain: consulting, design, fabrication, erection and general contracting of pre-engineered steel buildings and structural steel.

Our work ranges from factories, warehouses and heavy industry to high-rise buildings, shopping malls, exhibition centres, bridges and infrastructure – in Vietnam and for clients in the United States, Australia, Singapore, Southeast Asia and beyond, fabricated in our own certified plant at Hai Son Industrial Park.

World Steel was the first company in Asia accredited under IAS AC472 for structural steel fabrication, and holds AS/NZS 5131 CC3, EN 1090-2 EXC3 and ISO 3834-2 – the quality credentials our export markets ask for.

HISTORY

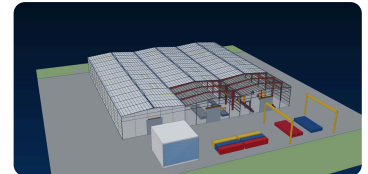

OUR JOURNEY

2012**WORLD STEEL IS FOUNDED**

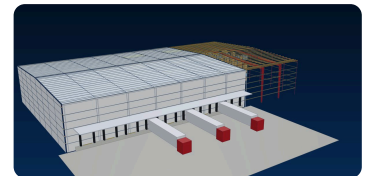

World Steel Construction JSC is established in Ho Chi Minh City to design, fabricate and erect steel structures and pre-engineered buildings.

2016**OUR OWN STEEL STRUCTURE FACTORY**

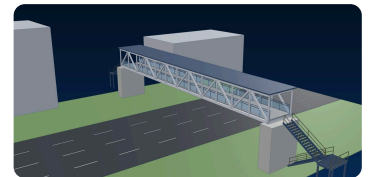

A 20,000 m² steel structure factory opens at Hai Son Industrial Park with a capacity of 2,000 tonnes a month – the base of everything we fabricate today.

**2019****FIRST IN ASIA WITH IAS AC472**

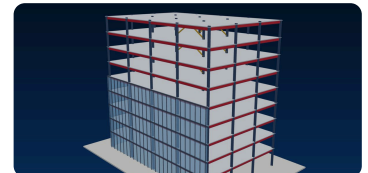

World Steel becomes the first – and for years the only – company in Asia accredited under IAS AC472, and completes its first export projects.

**2020****SINGAPORE, CAMBODIA, THE PHILIPPINES**

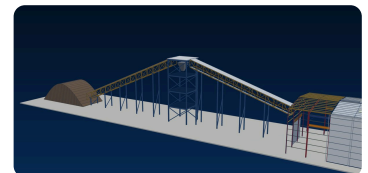

First exports to Singapore – steel structures for traffic bridges – Cambodia and the Philippines, and delivery of the Southern Vietnam (Long Son) petrochemical complex warehouse.

**2021****AUSTRALIA**

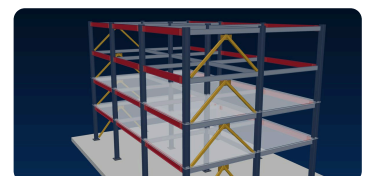

First export project to Australia – the start of structural steel supplied to Australian standards.

**2024****INDONESIA**

First export project to Indonesia, extending our reach across Southeast Asia.

**2025****AS/NZS 5131 AND EN 1090-2**

Certification to AS/NZS 5131 construction category CC3 and EN 1090-2 execution class EXC3 with CE marking – the quality systems required for Australia, New Zealand and Europe.

**Today****30+ COUNTRIES, ONE FACTORY, ONE STANDARD OF QUALITY**

More than 300 projects and 350 people – structural steel, pre-engineered buildings and steel products from one certified plant, delivered under the Incoterms our clients need.

VISION · MISSION · CORE VALUES

WHAT DRIVES US

VISION

To be the premier provider of steel structure and pre-engineered building solutions – strong in design, fabrication, erection and general contracting – leading in Vietnam and Asia and growing globally, with sound governance and ESG principles creating long-term value.

MISSION

Building a green future with superior steel structure solutions – high-quality work that meets ESG standards and delivers lasting value to our clients and to society.

METAL

INTEGRITY

Like pure, strong metal: sincerity and strong ethical principles, so that our work and our word can be relied on.

WATER

PROFESSIONALISM

Like water: adaptable, competent and flexible – meeting every project challenge with skill.

WOOD

OWNERSHIP

Like a growing tree: proactive and creative, expanding our responsibilities and investing in projects and relationships.

FIRE

RESPECT

Like fire's warmth: respect that creates positivity, cooperation and enthusiasm in every team.

EARTH

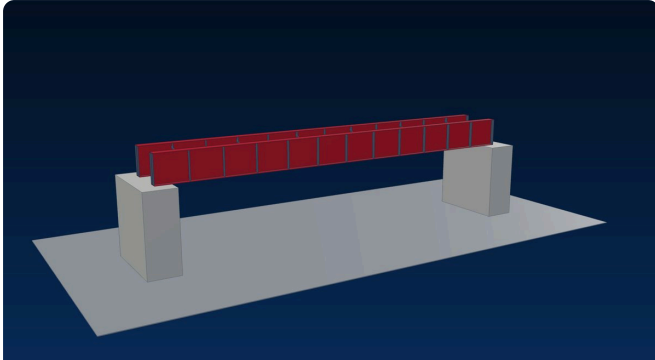

LISTENING

Like solid earth: attentive listening that builds understanding, trust and cooperation – with colleagues and clients.

WHAT WE DO

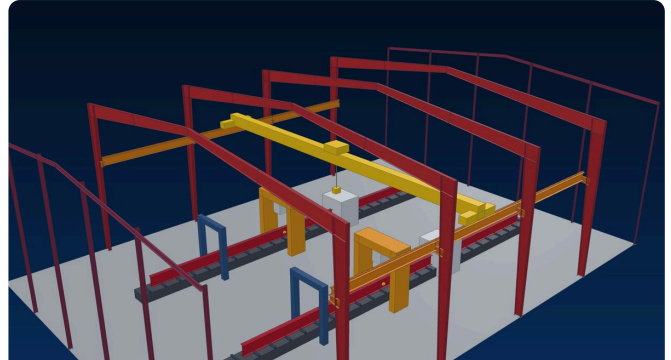

WHAT WE DO

One partner from the first sketch to the last bolt.

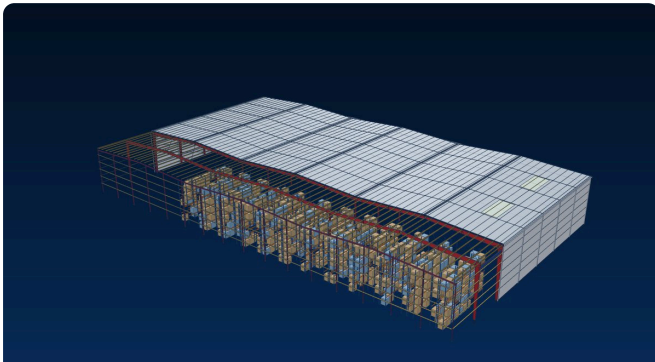

DESIGN & ENGINEERING

Structural design, connection design and shop drawings to AISC, AS/NZS and Eurocode practice, with Tekla models and IFC.

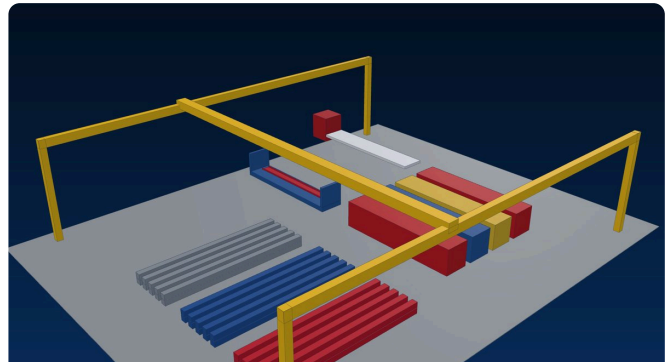

FABRICATION

Built-up and hot-rolled structural steel, PEB frames and steel products from our certified plant.

ERECTION & CONTRACTING

Erection, supervision and general contracting of complete steel buildings.

EXPORT SUPPLY

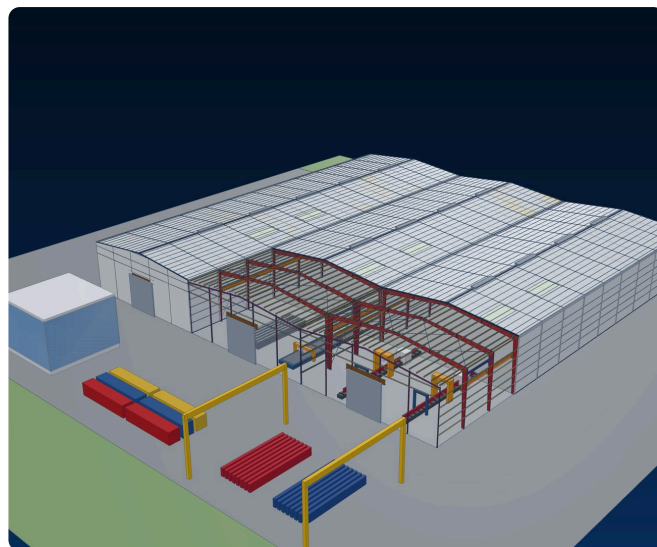

Export packing, documentation and shipment to 30+ countries under Incoterms 2020.

OUR FACTORY

THE PLANT AT A GLANCE

A certified structural steel fabrication plant producing around 40,000 tonnes a year for projects on five continents – laser cutting, automatic welding, blasting and painting under one roof, with a QC release at every one of twelve production steps.

Location	Hai Son Industrial Park, Duc Hoa, Tay Ninh Province, Vietnam
Capacity	≈ 40,000 tonnes of structural steel per year
Products	Built-up and hot-rolled structural steel, PEB frames, secondary members, steel products
Cutting	Laser cutting of plate, end plates and holes
Welding	Automatic welding of built-up members, SAW and FCAW
Surface	Shot blasting and paint systems to specification; hot-dip galvanizing on request
Quality	QC release at each of 12 steps · ISO 3834-2 · EN 1090 EXC3 · AS/NZS 5131 CC3

CERTIFICATIONS

Accredited and certified by the bodies our export markets trust.

IAS AC472**IAS AC472 accreditation for metal building systems**

World Steel holds IAS AC472 accreditation MB-268 for the design and fabrication of metal building systems – IBC 1704.2.5.1 approved fabricator for US projects.

Issued by International Accreditation Service (IAS) · valid until 2027-08-01

AS/NZS 5131 CC3**AS/NZS 5131 certification – Construction Category CC3**

BSI Benchmark certificate BMP 827566: World Steel fabricates structural steelwork to AS/NZS 5131:2016 at Construction Category CC3 for Australia and New Zealand.

Issued by BSI Group Australia & New Zealand (Benchmark Product Certification) · valid until 2030-07-31

EN 1090 EXC3 · CE**EN 1090 EXC3 certification and CE marking**

BSI FPC certificate 2797 CPR 827443: World Steel designs, fabricates and CE-marks steel structures to EN 1090-1, up to Execution Class EXC3 in EN 1090-2.

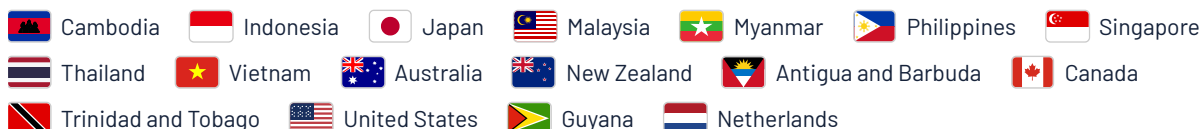

Issued by BSI Group The Netherlands B.V. – Notified Body 2797

ISO 3834-2**EN ISO 3834-2 welding quality certification**

Bureau Veritas certificate INY-CER/23/1056: World Steel's welding quality management system meets EN ISO 3834-2:2021, the comprehensive level.

Issued by Bureau Veritas Vietnam · valid until 2026-10-27

REFERENCE PROJECTS BY MARKET

World Steel has supplied structural steel to more than 30 countries – the countries above have project references published on our website.
